

## Wright Carver Breakfast on the Farm

March 5, 2019

Dear Friend of Agriculture,

Planning for the annual Wright Carver Breakfast on the Farm is underway! We are excited to bring dairy to life and provide a one-of-a-kind experience for all at Hoese Dairy Inc. of Mayer, Minnesota. The farm is owned and operated by Scott, Yvonne, and Eric Hoese. The family is excited to bring this opportunity to their local community and share with visitors the importance of family, connection, and community.

This year's event will be held on **Saturday, June 22, 2019, from 7:00 a.m. to 1:00 p.m.** with breakfast being served from 7:00 a.m. – 12 p.m. In addition to breakfast, the Hoese family is excited to share farm tours featuring robotic technology to feed both cows and calves. A variety of food samples, all you can drink milk stand, a petting zoo and more is sure to be fun for the entire family.

This event continues to be organized by local farmers and agricultural supporters who are passionate to share their story with consumers. In addition to volunteers, local FFA students assist by facilitating tours and educational activities for all attendees. As always, our objective is to provide a positive farm experience for consumers and to build the connection between farmer and consumer while promoting agriculture.

Last year, we served breakfast to nearly 1,500 people. As with any event of this size and magnitude, sponsorship is necessary for success. Financial contributions will be used to pay for advertising, bus transportation, and facility related costs. Excess funds remaining at the conclusion of the event are donated to local host county food shelves. Please consider sponsoring this event. There are four levels of sponsorship outlined below:
